"I have had the pleasure and the sense of security of Ray Duffy and his team at Quinn and Scattini for the past three years.

The distinction between a company and a great company is the ability to access the knowledge & passion of the people within it. Ray has both the knowledge and the passion his clients need to make the deal successful. I have been able to call upon Ray for help in securing a new deal or just simply asking advise on a personal and family level at anytime.

Rays Franchising knowledge covers all angles, from summarising an entire lease to breaking down every level of a franchise agreement, this commitment and level of accuracy has always lead to a good deal moving forward.

I wish to thank Ray and his team for the outstanding work he has done for my company in the past and I am sure the near future."
